to your kind perusal and favourable orders

The undersigned submitted

me that the sanction order was sent to the

I enquired the said president I received
information from him to the effect that the
sanction was with regard to some minor
constructions and not to the musabirkhan
proper. I herewith attach the copy of the order

Thro,

Sir,

In continuation of this office No.OC.327/22.23 dated 12.8.26 informing that an estimate for Rs. 3,985/- is sanctioned for the construction of a Musafirkhana at Gudibanda and enclosing two other estimates with plan for the marginally noted works for the sanction of Government, I have the honour to forward herewith a revised estimate amounting to Rs.5510/-, for the construction of the above said Musafirkhana.

The original estimate had to be revised as the soil for the foundation was found to be loose and had to go deeper. Further provision had to be ^made for some additional works which were found absolutely necessary as there is no Travellers' Bungalow in the place and the travellers were inconvenienced without accommodation. The comparative statement enclosed in the record shows the ^{deviation} ~~variation~~ and excess under the several heads. The original estimate is scrutinised by the Executive Engineer and the District Board have also agreed to it. Copy of their resolution is again enclosed for reference. The work is also - - completed as per revised estimate. So I request you to kindly obtain the sanction of Government for the revised estimate. The two other estimates forwarded with this office No.OC.327/22-23 dated 12.8.26 may also kindly be got sanctioned early. Entire file is enclosed.
